Message from your PTO

Hello Parents!!

We are working on a new fundraiser for our school! This fundraiser does not require

you to purchase anything! We are asking that as you clean up from the holidays and you find things that you may want to donate, that you choose to donate your gently used items to our school. We have paired with Savers thrift shops and they are going to pay our school for donating our gently used items. We have 2 weeks to collect donations. We will start on the first day back at school 1/4/18 and collect all the way through 1/17/18. Please find the attached PDF for all of the items we can accept. We are very excited to make good use of all of your gently used items and look forward to collecting a great profit for the PTO to use for our school. We are working to raise money to do some wonderful things this year and we cannot accomplish that without your help! If you have any questions please feel free to reach out to the office and they will get you in touch with our PTO. Please reach out to family friends and neighbors and ask them to help make this fundraiser an AMAZING success!

Thank you for all you do for your students and our school each day!
